## ACADEMIC CREDENTIALS

---

Bachelor of Science in Computer Science and Engineering  
(Ranked **11<sup>th</sup>** in the graduating class of 60)

*CGPA - 3.57 out of 4.00*

Mawlana Bhashani Science and Technology University (MBSTU)  
2016 - 2020

## RESEARCH INTEREST

---

Machine Learning, Software Engineering, Forward and Reverse Engineering

## RESEARCH EXPERIENCE

---

### Undergraduate Research Work

Mawlana Bhashani Science and Technology University (MBSTU)

Thesis Title: “DistB-OT: A Distributed Secure Blockchain-based Online Ticketing System using Hyperledger Fabric”

Proposed a user-friendly, secure, and fraud-resistant distributed online ticketing architecture for Bus, Train, and Airline using Hyperledger Fabric then measured the capability of the proposed platform through case studies.

Supervisor: Mohd. Sultan Ahammad, Assistant Professor, Dept. of CSE, MBSTU.

### Independent Research

Currently, conducting research on a UNICEF dataset in a collaborative way by applying data analysis methods using machine learning techniques. Also, learning deep learning in depth.

## PROFESSIONAL EXPERIENCES

---

### Software Engineer

*December, 2023 - Present*

Kite Games Studio

- Retouch - AI Remove Objects - Led a team of 3 software engineers in developing the front-end of the entire app. Integrated APIs from deployed AI models to deliver seamless AI-powered services within the app.

### Associate Software Engineer

*December, 2022 - November, 2023*

Kite Games Studio

- Color Pop Effects Photo Editor - Worked with a deep learning based colorization model. Work includes tweaking preprocessing, postprocessing as per the requirements, and making the model ready for server deployment. Millions of users use this feature.

### Junior Software Engineer

*November, 2021 - November, 2022*

Kite Games Studio

- Researched features of multiple popular applications, and reverse-engineered to build those features.

## STANDARDIZED TEST SCORES

---

International English Language Testing System (IELTS)

11th February, 2023

Reading	Listening	Writing	Speaking	Overall
8.5	8.0	6.5	6.5	<b>7.5</b>

## TECHNICAL SKILLS

---

- Python, Swift, C/C++
- NumPy, Pandas, OpenCV, Scikit-Learn, Matplotlib, PIL, Keras, Scipy, etc
- iOS SDK, iOS versions, Git
- Alamofire, AFNetworking, URLSession, HTTPS, and REST APIs

## PROBLEM SOLVING BACKGROUND

---

- Proficient problem solver using Data Structures, Algorithms, Graph Theory, Dynamic Programming, Number Theory, String processing, etc.
- Participated in more than 10 national-level onsite programming contests along with over 250 online programming contests.
- **Competitive Problem Solving:**  
Codeforces - **solved 815+** problems (Handle: FrozenBeast028), Contest Max Rating: 1523  
CodeChef - **solved 90+** problems (Handle: tamim028), Contest Max Rating: 1883  
UVA - **solved 380+** problems (Handle: Tamim028)  
LeetCode - **solved 340+** problems (Handle: tamimdarichowdhury), Contest Max Rating: 1,638 (Top 17.9 Percentile)  
LightOj - **solved 90+** problems (Handle: hunterorion)  
Vjudge - **solved 160+** problems (Handle: Tamim028)

## EXTRA CURRICULAR ACTIVITIES, AWARDS AND ACHIEVEMENTS

---

- **5th Position** out of 60 students (GPA - 3.74), 3rd year - 2nd semester, B.Sc Degree
- Achieved GPA - 3.87 on a scale of 4.00, 4th year - 2nd semester, B.Sc Degree
- **Specialist problem solver** in Codeforces competitive programming platform.
- Reached **Division 1** (4-star problem solver) in CodeChef competitive programming platform.
- **2nd runner up**, at CSE MBSTU Intra Department Programming Contest 2K18
- 34th out of 95 teams (Team Name: MBSTU\_Renasas) at 'BUP IUPC 2019'
- 37th out of 116 teams (Team Name: MBSTU\_Renasas) at 'GUB IUPC 2018'
- **Competitive Programming Trainer**, CSE Department, MBSTU from 2019 to 2022.
- BACS Regional Programming Camps 2017 (Intermediate level)
- Problem setter and Volunteer at Breaking Code'23 : Programming Contest 2023 by CSE, MBSTU
- Organizing member and Problem setter at MBSTU CSE Victory Day Programming Contest 2020
- Organizing member of MBSTU CSE Inter Department Programming Contest 2019
- Volunteered in National High School Programming Contest 2017
- Volunteered and participated in CSE MBSTU Inter Dept Programming Contest 2017 (Team name - MBSTU\_TriO)

## LINGUISTIC PROFICIENCY

---

English (Fluent Working Proficiency)  
Bangla (Native Language)
